At this point, the service engine light will start blinking. It will give you a 4 digit code - the first number will flash slowly, followed by a slight pause, the next three numbers will flash quickly, all with a pause in the middle. 10 flashes means a number "0." So if your car blinked 10 times, then 4, then 4, then 2 again, you would have a code of "0442," which is your gas cap thing.
