Finding reasons why research is important seems like a no-brainer, but many people avoid getting involved in research. The lazy (if not mentally-drained) student is probably thinking - "Oh, no. Not again." while a disinterested academic could just be doing it for to secure job tenure and/or a promotion.

7 Reasons Why Research Is Important - Owlcation - Education
Schedule! I tell my students that the first step in writing a research paper is to admit you have a research paper.Write up a schedule with a series of milestones to accomplish by a specific date (e.g. find 10 sources by September 20, finish preliminary research by October 15), and keep to it. You will need time to get an overview of what material is out there, find out what's in your ...
