The Handbook of Journal Publishing is an up-to-date and comprehensive handbook written by experienced professionals, covering all aspects of journal publishing, both online and in print. It is a basic reference source for publishers, librarians and scholars dealing with such issues as copyright, business models, scholarly communication and intellectual property.

The Handbook of Journal Publishing: Morris, Sally ...

Journals have been, for more than 350 years, a key part of the fabric of scholarly communication. They enable scholars to communicate their ideas and discoveries across time as well as space; thus the sum of human knowledge and understanding is gradually increased, as others are able to integrate, question, and build on the work of their predecessors (as in Newton's famous remark "if I ...
