How Democratic Is The American

American democracy is precious. When the U.S. Constitution was ratified in 1879, America became the first modern democracy in the world. Its Constitution served as a model for many countries that have since established democracies. But time has moved on and America's democracy no longer ranks as a world model.

American Democracy - democracy central

The 2020 election results only prove that American democracy is a complete and utter sham. The US political system was designed to make certain that as little democracy as possible can influence the fundamental class. As was predicted long before Election Day, US President Donald Trump is pulling ...

How anyone could see US political system as desirable is ...
