Welcome To Viscount | Viscount Motorhomes And Caravans

Thanks for that link to the Viscount manual. As you say, it looks a bit earlier than 1980, and seems to match up with the 1978 models. The manual will be very helpful to the members of our sister forum for Classic Caravans from 1970 to 1979. I've downloaded the manual and can share it with those people. Thanks again for taking the trouble ...

Viscount Caravan Owners Manual - wsntech.net

Caravan Review – Viscount V2 If you knew next-to-nothing about caravans, there’s a good chance the ‘next-to’ would be the name Viscount. At one time it was a powerhouse in Australian manufacturing, producing seven out of every 10 caravans on the market.

Viscount Caravans Archives

Sitting on a six inch chassis, coupled with all terrian wheels and tyres, this van can handle national parks and dirt roads with ease. With the option of a café dinette or club lounge, the toilet or shower on either side of the van, or the addition of a full height linen cupboard, this van is sure to please those who value their storage.

V3 - VISCOUNT CARAVANS

The Viscount name lives on as a great value couples van. Here, we compare it with the first caravan review, 600 issues ago. To be one of the first caravans reviewed in the very first issue of Caravan World all those years ago affords Viscount special status around here.

Find Your Next Motorhome or Caravan Joy... - Viscount

I have recently removed the caravan from the caravan yard and stored it at my cousins farm. When we plugged the caravan into the mains, we tripped the fuse between the transformer and the batteries. We changed the fuse (from a 30A to a 40A) and the wires started to smoke. We took the fuse out and checked the batteries to find they had drained.

Viscount Caravans for sale in Australia ...

By 1969, Viscount Caravans of Liverpool was said to have the largest production line in the southern hemisphere incorporating many technological innovations beyond the capability of the small, home builder. Competition was strong, with each company trying to produce better vans. Soon the bond wood vans disappeared and aluminum clad vans took over.
