### Niccolo Rising The House Of

The House of Niccolo starts in 1460 in Bruges then moves to the city state of Venice and ends up in Trebizond at the end of the Byzantine Empire. Breathtaking in scope. Thru the 7 books (500 + pages each) you go to all the same places as Lymond does in the Lymond Chronicles but add in Iceland and Mali (as the first white man to make it that deep into the African continent).

### Niccolò Rising (The House of Niccolò, #1) by Dorothy Dunnnett

Niccolo' Rising is the most well researched fiction I have read since Colleen McCullough's "Masters of Rome" series. This is the first of seven books of the House of Niccolo' and involves an incredible amount of research, the down side being that it's a little tiring to read.

★★★★½. The House of Niccolò: Book I. Having finished the Lymond Chronicles, I needed a little time for my absorption in that series to fade, before I embarked on my next fix of Dorothy Dunnnett. It would have been sheer indulgence to read the Chronicles and the House of Niccolò all in one go. As you know, I'm not a complete newcomer to Niccolò: I read the first three books last ...
