Moringe ole Parkipuny addressed the United Nations Working Group on Indigenous Populations (UNWGIP) in 1989 and, for the first time, opened up discussion of the idea that certain groups of hunter-gathers and pastoralists in Africa merited the status of indigenous peoples. Local activists and international organizations took up the cause in the following decades.

Indigenous Peoples in Africa | Oxford Research ...

Indigenous peoples across the continent of Africa are subject to lack of respect for their rights to land, territory, resources, self determination and basic human rights. This is due in part to collusion between state and corporate interests, as well as to the rhetorical position taken by all African states that there are no indigenous peoples on the continent.
